

Pasadena Certified Farmer's Markets
Market Policy for Socio-Political/Community Groups

The Pasadena Certified Farmer's Market (Market) has been transferred the right of possession of the parking lot of Victory Park on Sierra Madre Boulevard by permit of the City of Pasadena Recreation and Human Services Department. Each Saturday the market will be held from 8:30 a.m. to 12:30 p.m., rain or shine.

The Market does allow non-profit organizations and community information groups to have spaces at the Market in a designated area to distribute information about their activities, which will be determined and assigned by the Market Manager. All calendared parties requesting such a space should check with the Market Manger before setting up for assignment of proper placement.

Each group or individual is allowed to come as needed during the year as space is available and must be calendared ahead. All non-profit groups must provide the Market Manager with satisfactory proof of the organizations' non-profit status, and of his/her position as a representative of the organization. No Sale of items is permitted as fundraising.

Rules that groups or individuals must follow while present at the Market are as follows:

1. Individuals or groups may not interfere with Market operations by aggressively soliciting signatures, donations, or attention. Such activities may not block sidewalks, or access to assigned seller stall spaces.
2. All individuals or groups must stay behind their tables or displays.
3. Individuals of groups must accept the spaces assigned to them by the Market Manager.
4. Each organization or individual must prominently display its name, bring their own tables and chairs, and must comply with all applicable Market rules.
5. The Market retains the right to regulate the time, place, and manner of activities relating to displays, signs, posters, placards, and other expressions of the interests represented. The use of "fighting" words, obscenities, grisly or gruesome displays, or highly inflammatory slogans like to provoke a disturbance may be prohibited by the Market Manager.

The City of Pasadena has authorized the Market Manager to enforce the above rules. Violation could mean expulsion from the Market. The Market cannot endorse the opinions or positions of any group or individual.
